

## **Girls!.....Give Ice Hockey a Try!**

This is a free opportunity for girls, to give ice hockey a try! The Natick Comets Girls Hockey program is run out of the William Chase Arena in Natick and currently offers teams at the U10, U12, U14 and U16/19 level. There are also "learn to skate" and "house league" programs for those not wanting to participate in travel hockey. This year the Comets U10, U12A and U14 teams competed in the Mass Hockey Tier III State Tournament.

There will be some Comet Girls on the ice as well as some Natick Girls Varsity hockey players. Minimum gear required is helmet (bike or hockey), stick, gloves and hockey skates. This is open to any girl who is not already registered in a travel hockey program.

The session will be held on Tuesday, Mar 24th, from 6:30 PM to 7:20 PM. A waiver must be signed by the skater/parent prior to getting on the ice.

The Natick Comets welcome all to experience the great game of hockey!

Please contact the Natick Comets on [NatickComets@rcn.com](mailto:NatickComets@rcn.com) with any questions.
