

Johnson is Going Green & We Need Your Help!

The Johnson School is tackling the issue of recycling drink containers at lunch. Our 4th graders will be spearheading this initiative, teaching the younger grades about what can be recycled and helping to “process” the left over containers at the end of lunch each day.

For the first month of the program, we need parent volunteers to help oversee the lunches listed below (11:30-1:00). Volunteer for one day of each week or one day of the month. We appreciate anytime you can give. If you are willing to help, e-mail Jen Murphy cowmurph@2comcast.net and indicate which day or days work best for you.

Thanks!
