

PROCEDURE FOR HAVING YOUR CHILD DISMISSED

If your child needs to be dismissed at some point during the school day and you know about it prior to your child arriving at school that day, please send a note in with your child that morning to be brought to the office before homeroom. Your child will be given a dismissal slip to be given to the teacher and will be able to leave class at the appropriate time. If all goes according to plan, your child will be waiting for you in the foyer of the school and may leave as soon as they see you drive up. You do not even need to leave your vehicle! In the event that you don't know your child needs to be dismissed until that day, we will be happy to call into the classroom and have them dismissed. It is our intention to disrupt the learning process as little as possible by limiting the intercom interruptions to the classrooms. As always, please feel free to call with any questions.
