

Dear Cast and Parents,

We are pleased to inform you that rehearsals are going very well for our production of "Annie." It is a pleasure to be working with such a talented cast and a wonderful group of parent volunteers.

It has come to our attention that we have many students staying after school with teachers in order to further their academic progress. We like to remind the cast that this is a "school musical," and school comes first.

It is with this in mind that we have decided to change our rehearsal schedule beginning February 2nd. Rehearsals will continue to begin at **2:05**, but now run until **4:30 pm**.

This change will allow students to meet with teachers and allow for us to have the time we need to make this a spectacular show in the Kennedy tradition. Students who do not have after school help will either use the time as a study hall monitored by Mr. Lane and Mr. Griffin, or to work on memorization of lines, reviewing choreography, etc.

We realize there are students who have commitments on certain days that begin at 4pm and have made plans based on our original time schedule. As always, we encourage students to communicate any potential conflicts, and we will do our best to work around these time constraints.

Thank you for your continued support of Kenned Middle School Theatre, and we look forward to seeing you at the production March 12-14th.

Best Regards,

Mr. Lane and Mr. Griffin
