# I SPY: KENNEDY EDITION

By Emma Conway

Hi there. Do you like scavenger hunts? Now you can do it in school. Below are five photos of things in the school hallways. Do you pay attention to everything around you in school? If you do, this would be perfect for you. Just walk along and try to find the objects with the clues. If you think you know, fill out the answer sheet and put it in the envelope on Ms. Pittman's door. The first one with all five correct answers will be announced on the morning announcements. Good luck and happy hunting!
