

STATEMENT OF PURPOSE

The Memorial School PTO is a volunteer organization made up of many devoted parents whose goals are to:

- enrich the educational experience for our children,
- support the teachers and staff,
- promote open communication between the administration, teachers and parents, and
- serve the community as a whole.

These objectives are met by providing volunteer assistance and financial support for curriculum-based programs, activities and materials not otherwise covered by the school's operating budget.

Membership in the PTO and its committees is open to all members of the Memorial School community.
